typists are less than those of English Steno-typists in All India Radio j and

(d) if so, the reasons theiefor?

THE MINISTER OF STATE IN THE MINISTRY OF INFORMATION AND BROADCASTING (PROF. K. K. TEWARY) : (a) and (b) No, Sir.

(c) and (d) The cadres of Hindi and English Stenographers art two distinct and sepatate cadres and posts are created as per the Administrative and func ional requirements of All India Radio.

New incentives to worker participation in the management

3342. SHRI CHATURANAN MISHRA: Will the Minister of LABOUR be phased to state:

(a) what are the new and special initiatives/efforts being taken by Government to make New Workers' panicipa.ion in the public sector undertakingsto increase productivity profitability and have a check and cooperation of the employees in stepping leakage, theft, wasteful and avoidable expenditure there; and

(b) whether the participative scheme of workers/employees in the management at all levels including the Board Level will be made compulsory in public sector undertakings; if not, the reasons thereof?

THE MINISTER OF STATE TN THE MINISTRY OF LABOUR AND THE MINISTER OF STATE IN THE MINISTRY OF PARLIAMENTARY AFFAIRS (SHRI RADHAKR1SHAN MALAVIYA): (a) The Government have already set up a Tripartite Committee on Workers' Participation in Management which meets periodically to monitor the progress of the implementation of the Scheme of workers Participation in Management and to discuss ways and means to effectively implement the scheme. This is considered adequate for the piesent.

(b) As far as shop floor and plant levels are concerned, the scheme is required to be implemented by all Central Public Sector Undertakings except those which are specifically exempted. As far as Board level is concerned, the scheme provides for selective implementaion in view of the situation prevailing in the different undertakings.

Revitalising of Kulti works

3343. SHRI GURUDAS DAS GUPTA: Will the Minister of STEEL AND MINES be pleased to state:

(a) what concrete steps have been taken by I1SCO management with Steel Authority of India Limited (SAIL) fcr revitalising Kulti units in view of depressed market demand for cast iron pipes the main products of kulti; and t.

(b) what are the details of the study conducted by MECON on Modification and setting up new facilities at Kulti works by developing Kulti works as on spare parts manufacturing shop for ALL SAIL plants made in 1985 and what are the implementation of the proposals made by MECON?

THE MINISTER OF STEEL AND MINES (SHRI MAKHAN LAL FOTEDAR): (a) In the wake of the declining market demand for spun-pipes since 1984-85, an atfempt was made at Kulti to convert the spun-pipe plant into Ductile Iron Spun-ptpe plant. Seveial studies were also commissioned by SAIL/ IISCO for revitalising Kulti works. While these are awaited as a measure of diversification, Kulti works of IISCO have modernised the light cas tings Department to take up new high value castings C.I. grade iron castings and alloy castings.
